Sonder will donate a portion of the proceeds per keg sold, and deSha's will donate \$1 from every featured item sold to Project Rise Above.

Project Rise Above is a nonprofit organization founded in 2015 by three Warren County residents who saw the need to increase support for veteran participants of the Warren County Common Pleas Veterans Intervention Court. Project Rise Above is comprised of a group of volunteers, many of whom are Veterans themselves. Volunteer board members oversee and execute its mission of "expanding the path of support - one boot at a time."
