*\*Consuming raw or undercooked meats, poultry, seafood, shellfish  
or eggs may pose an increased risk of food-borne illness*

*Dear guests: Due to the current production issues within the meat industry, the entire country is experiencing a significant impact on the price of beef. As a result, we've had to temporarily increase prices on beef items. We anticipate this to be a short-term measure and we will return to our regular pricing as soon as possible.*
