For the second year, Allison Ramage is a candidate for Cincinnati Student Visionary of the Year (SVOY). Allison and her friend Grace are leading a campaign called Squash Cancer in collaboration with The Leukemia & Lymphoma Society (LLS): the world's largest voluntary health organization dedicated to fighting blood cancer. The mission of LLS is to cure leukemia, lymphoma, Hodgkin's disease and myeloma, and improve the quality of life of patients and their families. Starting February 1, high school students in the greater Cincinnati area will kick off their seven-week campaigns through the SVOY leadership development program. They are dedicated to advocating for patients and family support through community outreach, education, and fundraising. By the grand finale on March 25, the students hope to have surpassed their 2022 total of \$55,206.
